

Redefining Christian Identity
Christian Cultural Strategies since the Rise of Islam
Groningen, The Netherlands, 7–11 April 1999

HELEEN MURRE-VAN DEN BERG, UNIVERSITY OF LEIDEN

- [1] From April 7 to 11, 1999, a symposium will take place at Groningen University (Groningen, The Netherlands). Its main theme concerns the ways in which the various Christian communities of the Middle East through the ages defined their identity in an predominantly Muslim environment. The symposium is jointly organized by the Universities of Leiden and Groningen. Please visit <http://odur.let.rug.nl/~vginkel/> for more details.
